

DOG FRIENDLY SCIENCE AND AMUSEMENT PARK

Did you know that visitors with dogs are also welcome at Tehnopark Celje?

For safety reasons dogs are not allowed to enter the premises where there are interactive exhibits, but we have prepared a special, dog-friendly and safe place for your pets located at the reception. While you explore our park, your dog will have the time to rest, have a snack and wait for you to arrive.

Reminder: Guide dogs and assistance dogs are allowed to enter the premises, where there are interactive exhibits at any time during working hours of Tehnopark Celje (in accordance with the law).

Before you bring your pet to Tehnopark Celje, enable the dog to relieve itself, feed it and bring hygiene material with you (poo bag).

There will not be any extra charge for dogs to wait for you, but we do follow rules of Basic dog etiquette stated below: only dogs who have a valid vaccination against rabies, are treated against internal and external parasites, are tagged and have a valid EU passport for pets, can enter our park. Dangerous and aggressive dogs are not allowed to enter the park.

Before you enter the park please inform our staff about the peculiarities of your dog: fears, special behaviour habits, etc.,... If the dog is attached to a toy or blanket, we recommend that you bring it with you.

Tehnopark Celje staff will hand you a Dogs owner's declaration to sign, where you will ensure that you are familiar with the 'dog etiquette' of Tehnopark Celje. In case of emergency, the staff of Tehnopark Celje will notify you via microphone.
